Computing Acceptable Use Policy for Reception and KS1

St Francis of Assisi Catholic Primary School

S I will only click on icons and links when I know they are **safe**.

A I will only use the Internet and email with an **adult** present.
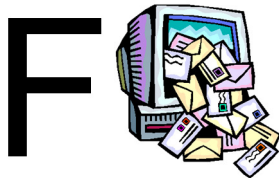

F I will only send **friendly** and polite messages on the internet.

E If, with my **eyes,** I see something I don't like on a screen, I will tell an adult.

I have read and understood that if the Computing Acceptable Use Policy is broken in any way, my teachers have the right remove my IT privileges for an agreed period of time.
