Dear Parents/Carers,

In accordance with the school's EPR programme of study 'Life to the Full', the children's learning in the Summer term will include the following:

**Year 6 - Summer Term 1**

**Module 3: Created to Live in a Community**

Unit 1: Religious Understanding

Session 1: The Holy Trinity

**Learning Objectives - Children will learn:**

- God the Father, God the Son and God the Holy Spirit are the three persons of the Holy Trinity.
- The Holy Spirit works through us to share God's love and goodness with others.

In both KS1 and LKS2, children learnt about the Holy Trinity through films about Lucy and her family. This session returns to Lucy one last time, and helps pupils increase their understanding of the Holy Trinity using Scripture activities and prayer. Children will also consider how they can allow the Holy Spirit to work through them to share God's love in the world.

**Module 3: Created to Live in a Community**

Unit 1: Religious Understanding

Session 2: Catholic Social Teaching

**Learning Objectives - Children will learn that:**

- The principles of Catholic Social Teaching
- That God formed them out of love, to know and share His love with others

This session introduces the concept of Catholic Social Teaching (CST). Through examples of God's love in action throughout Scripture, children will learn how God wants us to live in society with each other. They will learn the principles of CST, how we can apply these to daily life.

## Year 6 - Summer Term 2

### **Module 3: Created to Live in a Community**

#### Unit 2: Living in the Wider World

#### Session 1: Reaching Out

#### Learning Objectives - Children will learn that:

- Apply the principles of Catholic Social Teaching to current issues.
- Find ways in which they can spread God's love in their community.

Building on pupils' learning in the previous session about Catholic Social Teaching (CST), this session recaps the principles and shows how they are relevant day to day. Children will look at current news stories, applying Catholic Social Teaching to analyse the issues and come up with ways of reaching out to others and spreading God's love in their communities.

### **Module 3: Created to Live in a Community**

#### Unit 2: Living in the Wider World

#### Session 2: Money and Me

#### Learning Objectives - Children will learn that:

- There are a wide variety of payment options.
- The importance of budgeting and tracking spending and saving.
- About the hierarchy of needs and other influences on spending choices.
- Some people have more money than others.
- God asks us to be good stewards of our money and resources.

This session follows on from LKS2 learning, building on payment methods, budgeting and money tracking techniques. Using the principle of the hierarchy of needs, pupils will discuss what influences money habits. Pupils will consider financial inequalities in the UK and overseas and the support that is available through governments and charities. God calls us to live generously and pupils will explore tithing as a form of charitable giving, and learn through the parable of the talents, how we can use our ambition and gifts to make a positive contribution.
