Dear Parents/Carers,

In accordance with the school's EPR programme of study 'Life to the Full', the children's learning in the Summer term will include the following:

Year 4 - Summer Term 1

Module 3: Created to Live in a Community

Unit 1: Religious Understanding

Session 1: A Community of Love

Learning Objectives - Children will learn:

- God is love as shown by the Holy Trinity – a communion of persons supporting each other in their self-giving relationship.
- The human family reflects the Holy Trinity in mutual charity and generosity.
- We are made in the image of God, which means we are made to love God and others, and be loved by God and others.

At the heart of this session is a short film about Lucy and her family, who children have encountered before in KS1. After the film, children will apply Lucy's story to their developing understanding of the community aspect of the Holy Trinity and be encouraged to think about what the Holy Trinity means for them and their communities.

- The Church family comprises of home, school and parish (which is part of the diocese)

In this session, children will learn about the wider Church and its mission to reflect the Holy Trinity through love for others. This session will also introduce the principles of Catholic Social Teaching (from 'Together For The Common Good'), which will be explored further in the next unit.

Year 4 - Summer Term 2

Unit 2: Living in the Wider World

Session 1: How Do I Love Others?

Learning Objectives - Children will learn that:

- That God wants His Church to love and care for others.
- To devise practical ways of loving and caring for others.

This session explores how we can put love into action in the communities we live in. Pupils will look at how the Church has grown out of God's love for us and how it can be an example and a means of loving and caring for others.

Module 3: Created to Live in a Community

Unit 2: Living in the Wider World

Session 2: Money Matters

Learning Objectives - Children will learn that:

- All forms of money have advantages and disadvantages.
- Our attitude to money and choices about spending, saving and giving impacts on ourselves and others.
- Budgeting helps to keep track of spending and saving.
- Our faith guides our values and reminds us of the importance of love for God and others.

This session reinforces previous learning about money and explains some practicalities of managing money including different payment methods, budgeting and keeping track of spending and how our choices can impact on our lives and the lives of others. Pupils will reflect on different attitudes towards money and how our faith guides and influences our values including our attitude towards money and that love of God and our neighbour is more important than anything.
