Dear Parents/Carers,

In accordance with the school's EPR programme of study 'Life to the Full', the children's learning in the Summer term will include the following:

**Year 1 - Summer Term 1**

**Module 3: Created to Live in a Community**

Unit 1: Religious Understanding

Session 1: Three in One

**Learning Objectives - Children will learn:**

- God is love: Father, Son and Holy Spirit
- Being made in His image means being called to be loved and to love others

At the heart of this session is a story about Lucy and her family. Through the story, pupils will be introduced to the concept of the Holy Trinity and think about what the Holy Trinity means for them. This is a simple teaching that will be returned to with more complexity in later years.

**Module 3: Created to Live in a Community**

Unit 1: Religious Understanding

Session 2: Who is My Neighbour?

**Learning Objectives - Children will learn that:**

- To know what a community is, and that God calls us to live in community with one another
- A scripture illustrating the importance of living in community as a consequence of this
- Jesus' teaching on neighbours

Through the story of The Good Samaritan, children will learn who their neighbour is – everyone! They will have an opportunity to reflect on what this means for them and their communities.

## Year 1 - Summer Term 2

### **Module 3: Created to Live in a Community**

Unit 2: Living in the Wider World

Session 1: The Communities We Live In

#### Learning Objectives - Children will learn that:

- That they belong to various communities such as home, school, parish, the wider local community, nation and global community
- That they should help at home with practical tasks such as keeping their room tidy, helping in the kitchen etc.
- That we have a duty of care for others and for the world we live in (charity work, recycling etc.)
- About what harms and what improves the world in which we live

In this session, children will learn about the different communities that they are part of, both local and global. They will think about what it means to belong to a community and the rights and responsibilities that come with it. Children will also learn that how they act can help or harm their communities.

### **Module 3: Created to Live in a Community**

Unit 2: Living in the Wider World

Session 2: Who Will I Be?

#### Learning Objectives - Children will learn that:

- About some different types of jobs in the community
- About some of the gifts, skills and strengths needed to do different jobs and that all jobs are open to boys and girls
- Work is a part of our purpose (vocation)
- God has given us all strengths, gifts and talents to do His work

This session builds on previous EYFS learning by recognising jobs in the community and different types of work. Pupils will explore the skills, strengths and qualities needed for different jobs, and consider some of their own strengths and interests. They will explore simply the concepts of vocation with the assurance that God gives us all the gifts and strengths needed to answer His call to love Him and love others.
