Dear Parents/Carers,

In accordance with the school's EPR programme of study 'Life to the Full', the children's learning in the Summer term will include the following:

Year 3 - Summer Term 1

Module 3: Created to Live in a Community

Unit 1: Religious Understanding
Session 1: A Community of Love

Learning Objectives - Children will learn:

- God is love as shown by the Holy Trinity – a communion of persons supporting each other in their self-giving relationship.
- The human family reflects the Holy Trinity in mutual charity and generosity.
- We are made in the image of God, which means we are made to love God and others, and be loved by God and others.

At the heart of this session is a short film about Lucy and her family, who children have encountered before in KS1. After the film, children will apply Lucy's story to their developing understanding of the community aspect of the Holy Trinity and be encouraged to think about what the Holy Trinity means for them and their communities.

Module 3: Created to Live in a Community

Unit 1: Religious Understanding
Session 2: What is the Church?

Learning Objectives - Children will learn that:

- The human family reflects the Holy Trinity in charity and generosity
- The Church family comprises of home, school and parish (which is part of the diocese)

In this session, children will learn about the wider Church and its mission to reflect the Holy Trinity through love for others. This session will also introduce the principles of Catholic Social Teaching (from 'Together For The Common Good'), which will be explored further in the next unit.

Year 3 - Summer Term 2

Module 3: Created to Live in a Community

Unit 2: Living in the Wider World

Session 1: How Do I Love Others?

Learning Objectives - Children will learn that:

- That God wants His Church to love and care for others.
- To devise practical ways of loving and caring for others.

This session explores how we can put love into action in the communities we live in. Pupils will look at how the Church has grown out of God's love for us and how it can be an example and a means of loving and caring for others.

Module 3: Created to Live in a Community

Unit 2: Living in the Wider World

Session 2: Working Together

Learning Objectives - Children will learn that:

- Know that there are many different jobs and types of work.
- Understand some of the factors that influence people's choice of work.
- Explore their own interests, skills and gifts in relation to their job aspirations.
- Know that God calls us to work together to share His love and care for each other and the world.

This session builds on previous learning about jobs and work to consider why people do different jobs and the factors that influence job choices. Pupils will explore their own job aspirations and identify interests, skills and gifts that could influence their future decisions. Pupils will learn how nurturing our values can lead us to realise our God-given vocation to love and care for others, a calling that starts right now.

If you would like more information, please do not hesitate to speak to your child's class teacher.
